9.3 ROUND TABLE Public policies and the organisation of services to combat abuse: what are the guidelines and to what extent do they cover older people? [WG9]

President : **Robert Moulias**

Moderation : **Alice Casagrande**

Room 9+10

5 questions to be addressed by each individual:

1. According to which of the 7 Anetzberger approaches is the LMPA being implemented?
2. What are the current public policies (guidelines, funding, laws or regulations) and how do they shape the organisation of services (in particular, are older people as a whole being protected, or just those deemed vulnerable)?
3. How were these guidelines and practices evaluated?
4. Who are the most committed stakeholders in the corridors of power, i.e. the most active influencers of public decision-makers and governments in this struggle?
5. What further steps should be taken in order to guarantee a more inclusive society in which all older individuals, including those living with abuse, can be more fully involved in decisions which affect them?

Authors:

✓ France: **Dominique Terrasson**, Project Manager, Preventing and Combating Abuse in the Social and Medico-Social Sector (Prévention et lutte contre la maltraitance dans le secteur social et médico-social), Office for the Protection of Individuals (Bureau de la protection des personnes), Department of Social and Medico-Social Policies (Service des politiques sociales et médico-sociales), General Directorate of Social Cohesion (Direction générale de la cohésion sociale, DGCS)
